and that too for very valid reasons. Please say whether the permission ~~requested for~~ sought for to adopt English as medium of instruction in Forms IV to VI of the Govt. High School for Muslim Girls, Mangalore is for the current year only or whether the exemption should be granted permanently. In the case of the latter, please explain the necessity for it stating the reasons more clearly.

In view of the very poor strength in the high school classes, the idea of abolishing the high schools may be considered from the next school year The strength as it has been shown. is 12 in IV form, 7 in V form and 6 in VI form. I find that of the 12 who are in VI form. 6 who are supposed to be Konganī and Thulu. must have studied through the medium of Kannada and many of the girls also must be knowing Kannada. In these circumstances, I do not think we should give any exemption for IV form. If the V and VI form girls had received instruction through the medium of English last year they may be given an exemption this year. For IV form, no exemption need be given.

Copy of letter R.C.No. 61 C/47, dated 7th January 1948 from the Inspectress of Girls' schools, Sixth Circle, Calicut to the Director of Public Instruction, Madras.

Ref: Schools - Secondary - Govt. High school for Muslim Girls Mangalore - Medium of instruction in Form IV during 1947-48 Report submitted.

Pros. R.C.No. 913 E/47, dated 1-12-1947

From the begining of the school year 1947-48 instruction in non-language subjects was imparted in Form IV, Government High School for Muslim Girls, Mangalore in English on the presumption that this would be allowed. It is now too late in the year to make a changeover to the Kannada Medium. It will be very difficult for the pupils to cover the entire portion for the year in non-language subjects in Kannada within the three months left. The text books in English were purchased in May 1947 and it would be a serious loss in the parents to ask them to purchase again text books in Kannada. If the pupils of Form IV are to be sent away to other schools in the town where medium of instruction in English there will be serious difficulty for them to secure -- admission there at this part of the year. The Girls attending the Government High school for Muslim Girls are residing close to it and the pupils and the parents will be put to much inconvenience and loss if they are to go to distant High school which follow the English medium.

2. The Headmistress reports that attepts are being made to make the Muslim pupils of Form IV convergant with Kannada. While these pupils are able to follow oral instruction imparted in Kannada to some extent, their standard is comparatively poor in reading and in writing. But the pupils of the Middle school are being brought up to the required standard. So the exemption requested for on behalf of Form IV this year will not be required next year.

3. In the circumstances stated above, it is requested that th Government may kindly be addressed to permit the English medium of instruction in the school in Form IV during the school year 1947-48.

4. The reports called for in Proceedings (V) 19-10 of R.O.C.No. 913 E/47 dated 19-9-1947 and para 2 of G.O.No. 2545 Education, dated 28th November 1947 regarding abolition of the higher forms in the school will be submitted shortly. The school is posted for inspection during this month and I hope to be able to discuss the question with the local public at the time of inspection.
